U.S. SKI & SNOWBOARD CLUB INSURANCE PROGRAM BENEFITS

This is a general overview of insurance coverage that applies to the U.S. Ski & Snowboard Club Liability Insurance Program (CLIP) Program. It is not a complete explanation of all policy provisions or specifics of the policy benefits. No coverage is extended, and no representations are made, other than what is stated in the actual insurance policies. Please refer to the policies for a complete, detailed description of program coverages, exclusions and benefits.

COMMERCIAL GENERAL LIABILITY LIMITS

Insurer: Aspen American Specialty

General Liability and Excess Limit Summary:

- General Liability: \$1,000,000 each occurrence; \$2,000,000 Per Location Aggregate; \$5,000,000 Policy Aggregate.
- Excess: \$5,000,000 each occurrence and aggregate

The most that can be paid for any one occurrence (e.g., one accident) is \$1,000,000 on the General Liability policy and \$5,000,000 on the excess policy. In order to exhaust the \$2,000,000 per location Aggregate on the General Liability policy, your CLIP Club would have to have multiple claims resulting in a settlement or judgment during one policy period (e.g., two separate \$1,000,000 judgments or 4 separate \$500,000 judgments). If a judgment/settlement exceeds \$1,000,000, the excess policy increases the limit of liability by \$5,000,000 (subject to the terms of the policy). Its limit could be exhausted by one enormous payment of \$5,000,000 or a series of payments that add up to \$5,000,000 for claims occurring within one policy year, but neither is anticipated or has even come close to occurring in the past. This more than satisfies the standard \$5,000,000 per occurrence limit required by many third parties.

Defense costs, which often comprise all, or the majority of dollars paid in the event of a lawsuit, do NOT deplete the General Liability policy limits. For example, if a CLIP club is sued and it costs \$2,000,000 to defend the suit and there is a settlement of \$100,000, the portion of the policy's General Aggregate that is "used" by this claim is \$100,000. An exception to this is Brain Injury claims. The Defense Costs for Brain Injury are included in the General Liability Limit.

The following provides a breakdown of how the limits are delivered by the General Liability and excess policies respectfully.

General Liability Limits of Insurance:

Each Occurrence Limit	\$1,000,000
Self-Insured Retention*	\$100,000
Per Location Aggregate Limit	\$2,000,000
General Aggregate Limit	\$5,000,000 per Policy
Participant Legal Liability**	Included
Personal & Advertising Injury	\$1,000,000
Brain Injury Sublimit (including defense costs)	\$1,000,000 occurrence/\$2,000,000 policy aggregate
Products & Completed Operations Aggregate	\$2,000,000
Damage to Premises Rented to You	\$1,000,000

* U.S. Ski & Snowboard CLIP Club is responsible for payment of any applicable retention.

** Participant legal liability coverage is contingent upon properly signed Waiver and Release of Liability agreements for all U.S. Ski & Snowboard members and must be kept on file at the U.S. Ski & Snowboard headquarters office.

Sexual Abuse and Molestation Liability Limits of Insurance:

Per Victim* \$1,000,000 per victim/\$1,000,000 policy aggregate

* Sexual abuse and molestation coverage is contingent upon compliance with Safe Sport, the background screening requirements and no one-on-one travel between minor athletes and adult coaches.

Excess Limits of Insurance:

Each Occurrence and Aggregate Limit - \$5,000,000

• General Liability policy is scheduled to U.S. Ski & Snowboard's excess liability policies which collectively increase the limit of liability by \$5,000,000. Please note the excess liability policy excludes claims for Sexual Abuse and Molestation as well as neurodegenerative injury claims.

CERTIFICATES OF INSURANCE

All participating U.S. Ski & Snowboard CLIP Member clubs receive a certificate of insurance (proof of coverage) following registration as a U.S. Ski & Snowboard CLIP Member club and acceptance by the insurance company. For this reason, all U.S. Ski & Snowboard CLIP applications are contingent upon the U.S. Ski & Snowboard CLIP Member club receiving its certificate of insurance.

If a U.S. Ski & Snowboard CLIP Member club needs to provide a certificate of insurance to a venue or facility and the venue or facility requires additional insured status, these certificates may be obtained by submitting requests for certificates of Insurance along with the CLIP application each season.

Additional certificates may be requested by emailing the Request for Certificate of Insurance form to Certs.USSS@Buckner.com. This document may be found on the Buckner website at <https://certs.uss@buckner.com>.

Please include the venue or facility's legal name and address. Do not offer to name venues or facilities as additional insureds. You should only request to add entities as additional insured when it is a requirement for using the facility. It is the club's responsibility to provide copies of the Certificate of Insurance to their own additional insured venue or facility. All certificates of insurance that you receive should be filed in a safe place.

U.S. SKI & SNOWBOARD BACKGROUND SCREENING AND SAFESPORT REQUIREMENTS

All U.S. Ski & Snowboard adult members that are in a position of authority over or are in regular contact with athletes are required to complete a background screen. Sexual abuse and molestation coverage is contingent upon compliance with the following background screening requirements:

Adult Members (excluding Short-Term members and Alpine Masters members not in a position of authority over or in regular contact with athletes) - All adults in a position of authority over or in regular contact with athletes are subject to criminal background checks, conducted by a provider chosen by U.S. Ski & Snowboard. Background checks must be completed before coverage is in effect. Please refer to www.usskiandsnowboard.org for details. In the event a member's background check comes back as unacceptable, the member and club will be notified, his/her membership will be considered null and void, and the member will not be allowed to participate in any U.S. Ski & Snowboard sanctioned events/activities or club activities.

Member - If an adult member of a U.S. Ski & Snowboard CLIP Member club who is in a position of authority over or in regular contact with athletes is not screened and an abuse and a molestation claim arises as a result of the coach, official or volunteer who was not screened, the U.S. Ski & Snowboard CLIP Member club's coverage will be subject to a \$100,000 per occurrence/\$300,000 policy aggregate limit. Please keep in mind that a condition of being a U.S. Ski & Snowboard CLIP Member club is that all your members are also members of U.S. Ski & Snowboard, so it is not anticipated that you will have club representatives who are in a position of authority over or are in regular contact with athletes who are not members of U.S. Ski & Snowboard. But, in the event someone slips through the cracks, it is important to note that sexual abuse and molestation coverage will be further sub-limited to \$100,000 per occurrence/\$300,000 aggregate limit if a loss arises from an individual for whom a background check was not conducted.

SafeSport

As a condition of membership, all U.S. Ski & Snowboard members agree to abide by the SafeSport Code detailed on the website at <https://usskiandsnowboard.org/safesport>.

U.S. Ski & Snowboard prohibits the following conduct:

- Sexual Misconduct
- Physical Misconduct
- Emotional Misconduct
- Bullying, Threats and Harassment
- Hazing
- Willfully Tolerating Misconduct

Any member of U.S. Ski & Snowboard who is appointed to a position of authority over, or who has regular contact with athletes must clear periodic criminal background screening and complete SafeSport training annually. This includes U.S. Ski & Snowboard adult members in a position of authority over or in regular contact with athletes and those whom the club formally designates to be in a position of authority over athletes, and the U.S. Ski & Snowboard Club Governance Board members.

Every U.S. Ski & Snowboard member must report suspected violations of the SafeSport Code. If you suspect that a child is experiencing misconduct of a sexual nature, don't investigate yourself. Call the SafeSport hotline and local child protection authorities (Police or Child Welfare Office) and report it to the experts who have the skills to investigate the matter. If you have a doubt on whether conduct is occurring, please err on the side of reporting. Conduct which does not involve sexualized conduct but which may violate one of the six categories of prohibited conduct may be reported to safesport@usskiandsnowboard.org.

The Center for SafeSport provides 24-hour support via the SafeSport Helpline or by calling 866.200.0796.

U.S. SKI & SNOWBOARD RISK MANAGEMENT RESOURCES//ITEMS FOR CONSIDERATION

Risk Management Contacts:

U.S. Ski & Snowboard has partnered with The Buckner Company to assist U.S. Ski & Snowboard with its risk management needs. Members of the U.S. Ski & Snowboard CLIP may contact Sheryl Barnes at sheryl.barnes@usskiandsnowboard.org or a member of The Buckner Company's U.S. Ski & Snowboard service team at 801.937.6695 for additional insurance/risk management information.

Coaches' Clinics:

Coaches' clinics are available for U.S. Ski & Snowboard club coaches to secure up-to-date information on the safest coaching methods. Certification of coaches at different levels is also available. For more information on these clinics, contact the U.S. Ski & Snowboard Education Department at 435.647.2050.

Contracts:

Your club may be required to execute an agreement with another entity (for example, to use a facility for ski practice) and it is important that you fully understand the terms and conditions of the proposed agreement. Most agreements include hold harmless and indemnification language, and we encourage you to take the following best practices into consideration when reviewing the indemnity and hold harmless provisions of any agreement.

Acceptable:

- Other party indemnifies and holds U.S. Ski & Snowboard CLIP Member club harmless for losses, and U.S. Ski & Snowboard CLIP Member club doesn't indemnify or hold other party harmless; or
- Each party is responsible for its own negligence - mutual indemnification and hold harmless; or U.S. Ski & Snowboard CLIP Member club indemnifies and holds other party harmless **but not** for losses arising from other party's negligence (or other party's sole or gross negligence). This is acceptable although above options are preferable.

-

Not Acceptable:

- U.S. Ski & Snowboard CLIP Member club indemnifies other party and holds them harmless for any and all losses (including those arising from other party's own negligence), and other party doesn't indemnify or hold the U.S. Ski & Snowboard CLIP Member club harmless.
